Dear Phil:

Thank you very much for your letter inviting me to the dinner for Bill Langer to be held in New York on December 28.

Unfortunately, I will be unable to attend as I have tentatively planned to be away at that time. However, General Cabell and Sherman Kent would like to be there, and General Cabell will plan to say a few words. There are also three or four other close friends of Bill's from here who are most anxious to be present. If your arrangements can accommodate this number, I know General Cabell would appreciate hearing from you.

With kindest regards,

Sincerely,

S
